Stay up to date with the daily schedule, receive notifications, navigate the venue, and connect with fellow attendees by using the ESDR Mobile App. Download it from the Google Play or Apple App Store by searching "ESDR." Install the app, and select the "ESDR 2024" event from the main menu.

# Poster Walks

The following table lists all abstracts selected for "Poster Walks". All poster walk presenters should take their PowerPoint slides to the Speaker Ready Room at least 2 hours before their presentations. All presenters must also prepare an electronic poster for viewing on our electronic poster kiosks throughout the meeting.

## How to contact poster presenters?

If the author has the ESDR application installed and has permitted contact, you can easily locate them within the faculty, presentation, or poster details. Once found, you can send them a message or schedule a meeting to discuss their work. Additionally, there is a chat option available in the interactivity section of the poster details, allowing for real-time communication.
